City of Medical Lake's List of Backflow Assembly Testers (BAT)

The following list of Washington State Certified Backflow Assembly Testers is those that have allowed the City of Medical Lake to include them on our list. This is just a partial list of testers in the area who are qualified to test backflow devices. **We suggest securing several estimates of cost of testing your backflow assembly(s) and do they also repair assemblies if they fail?**

1. Affordable Home Irrigation 1913 S. Garfield Rd. Airway Heights, WA 99001 499-5224
Val Hilzendeger/B5070 Robert Hilzendeger/ B995 Nicholas Hilzendeger/ B5994
