

FIRE DANGER BURN RESTRICTION

EFFECTIVE
July 17, 2018

Outdoor Recreational Fires and Open Burning are **RESTRICTED**

Unauthorized open burning and unauthorized recreational burning are hereby **Ordered**; discontinued in the City of Medical Lake

NO! NOT ALLOWED

- **All Recreational Fires** – any outdoor fire without a chimney such as a backyard fire pit or campfire using chopped firewood or charcoal
- **All Open Burning** – any open burning of fields and yard waste is prohibited at all times

YES! ALLOWED FOR USE

- **Manufactured portable outdoor devices** - fireplaces, chimineas, barbeques and patio warmers used in accordance with the manufacturer's instructions
- **Approved fuels in appropriate device** - clean and dry seasoned firewood, charcoal, natural gas or propane gas
- Designated campfires in parks and campgrounds may be allowed as approved and determined by agencies with jurisdiction

Any person found with a recreational fire or conducting open burning who fails to take immediate action to extinguish or otherwise discontinue such burning when ordered or notified to do so shall be charged with a misdemeanor. (IFC 109; SCC 3.02)

Unauthorized open burning and unauthorized recreational fires are restricted until this Order is lifted or unless otherwise permitted by law enforcement or authorized agencies.
