

MEDICAL LAKE CONNECTION JULY 2023

Important Notice
Brooks Road is closed from City limits to Thorpe Rd
June 5th - Sept. 15th

Terri Cooper, Mayor

Founders Day Festival was an overwhelming success. Fantastic weather and record participation made for a perfect day. Heartfelt thanks to community volunteers, civic groups, City staff, and the Re*Imagine Medical Lake Festival team. Friday began with a golf tourney at The Plains followed later in the day by music, games, bbq, disc dogs, and fireworks at Waterfront Park. The new parade route along Lake Street gave onlookers a better view and more space. Local and national dignitaries participated in the parade including Grand Marshall Carl Grub, Kiwanis Senior Citizen of the Year Sue Fisher, Lilac Queen MLHS Senior Josephine Ortega, Congresswoman Cathy McMorris Rodgers, and Sheriff John Nowels to name a few.

Medical Lake Geo Walk & Water Sampling Thursday, August 17th, 5:00PM—7:00PM, Waterfront Park. Walk along the trail around Medical Lake with Chad Pritchard, EWU professor of geosciences, and Steve Cooper, Wastewater Treatment Plant Director for the city of Medical Lake. Learn about the lake’s history and natural science. Walkers will assist in gathering water samples for stormwater research and picking up trash along the way, a slow paced, 3-mile walk.

Medical Lake Farmers Market, already a community favorite, was well attended Saturday, July 1st. Plan to shop and enjoy all manner of fresh produce, plants, artisan foods and handmade wares, held twice monthly, at Lake & Lefevre Streets. **Saturdays: July 15th, August 5th & 19th, September 2nd and 16th, and ending October 7th.** For more information see medicallake.org/farmers market

Medical Lake, the hidden gem of Spokane County. Promoting Medical Lake as the place to be for outdoor recreation was highlighted recently in the Huckleberry Press. The article covers historical facts and related future hopes for the City.
