

Prevent Wildfires

WASHINGTON STATE DEPT OF
**NATURAL
RESOURCES**

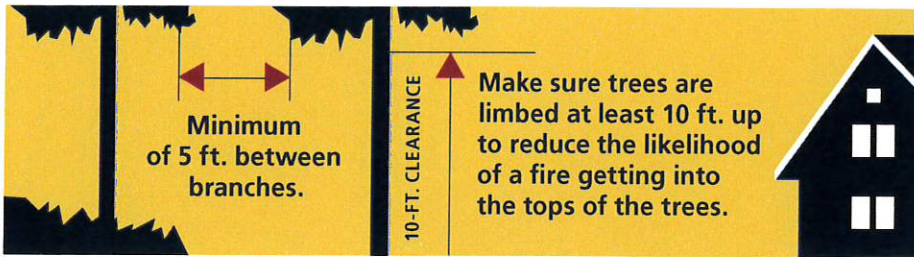

Defend Your Home from Wildfire

***NO COST EVALUATION**

DNR foresters can come out and assess your home at no cost if you live in:

Northeast Region,
509-684-7474 or

Southeast Region,
509-423-3961

▶ Trim vegetation so the fire department can have safe access to your home.

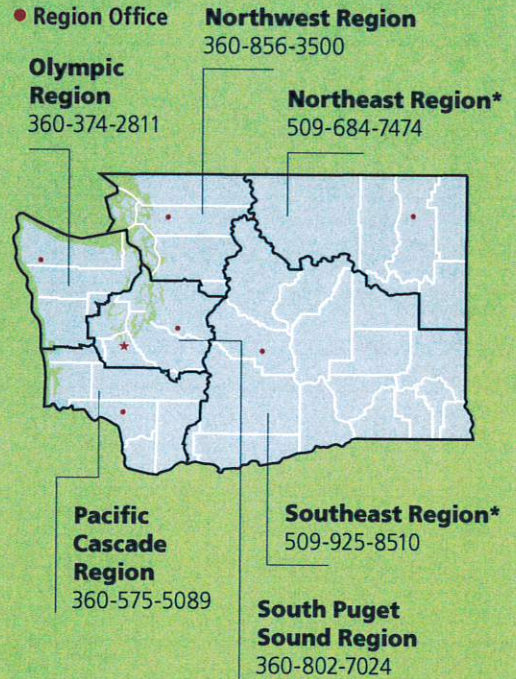

▶ Keep vegetation, including the lawn around the home, low and green.

Make sure your home/structure has non-flammable roof and deck.

30 FT. OR MORE

Eliminate fire fuels within 30 ft. of any structure.

Beauty bark will smolder. Use it away from the home.
