Updating Medical Lake's Comprehensive Plan

January 2025

Hazard Mitigation Plan

The 2025 Local Hazard Mitigation Plan (LHMP) for the City of Medical Lake is designed to address and mitigate long-term risks posed by various hazards specific to the local area. This plan aims to make Medical Lake and its residents less vulnerable to future hazard events by focusing on the unique needs and circumstances within the jurisdiction.

Citizen Feedback Wanted

Chloeta, the consulting firm hired by the City to create the hazard mitigation plan will be presenting the draft plan at the Planning Commission on January 23, 2025 and at the City Council on February 4, 2025. On both occasions, you will have an opportunity to learn more and provide feedback. You can also view the plan on the City's Hazard Mitigation webpage and email comments to city@medical-lake.org.

Attend a Planning Commission Meeting

The Planning Commission invites you to attend their monthly meetings. The Commission meets on the 4th Thursday of the month

January 23rd February 27th

Meetings start at 5:30 and can be attended in person at City Hall or via Zoom. The agenda is available on the City website a week in advance.

Draft Plan Available for Review

The Draft Local Hazard Mitigation Plan can be found on the City website.
