State Environmental Policy Act Determination of Non-Significance

Date of Issuance: 7/27/2026

Lead Agency: City of Medical Lake

Agency Contact: Elisa Rodriguez, Senior Planner, 509-565-5019

Lead Agency File Number: LU 2026-026 Shoreline Conditional Use and Variance

Description of Proposal: The City proposes to create six (6) stormwater swales on City property or in public rights-of-way to provide basic treatment for several existing direct storm water discharges into Medical Lake. The proposed swale in the S Broad Street right-of-way, just south of E Campbell Street (site 5) will include a lift station. Site 6 adds a catch basin to lead stormwater to an existing natural swale. The existing Coney Island Park discharge will be redirected to another discharge location with a lift station. For work near the lake, silt fences shall be installed to thwart erosion and containment potential.

Applicant: City of Medical Lake

Location of Proposal: Northend Park, Peper Park, Martin Street right-of-way, Third Street right-of-way, Broad Street right-of-way, Medical Lake Public Boat Launch, and Waterfront Park.

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement is not required under [RCW 43.21C.030\(2\)\(c\)](#). This decision was made after review of a completed environmental checklist and other information on file with the lead agency.
