Letters to Santa

Note to Parents

We know you want to make the holidays an exciting time for your kids and we are here to help you. Medical Lake Parks and Recreation has made arrangements with the elves at the North Pole to accept mail for delivery to Santa beginning Monday, November 2nd through Sunday, December 6th. Have your kids write a letter (or draw a picture if they can't write yet) to Santa Claus and they will get a letter back from him in return!

Letters MUST be PLACED IN the North Pole mailbox at City Hall. Mailed in letters will not get a return response. *If you are dropping off letters December 6th and the lobby doors are closed, you may drop your child's letter off in our night drop box at the front of the building.*

Be sure your child's full name and age are printed clearly on the top of their letter.

If your child is visually impaired, please let us know and we can have Santa's letter printed in braille for your child!

All letters must be in turned in no later than December 6th to guarantee response before December 25th.

PARENTS please carefully and discreetly complete the following questionnaire and include it with your child's letter in a sealed envelope. If you don't have the ability to print you may email this form to recreation@medical-lake.org with the subject line of:
{Your Child's Name} Letter to Santa

One form per child, please!

Letters to Santa

Parent Submission Form

Child's Name: _____ Age: ____ Gender: O Boy O Girl
